2018-00313 - [GRAPHDECO] Business Developer

Contract type: Public service fixed-term contract  
Level of qualifications required: Graduate degree or equivalent  
Function: Temporary scientific engineer

About the research centre or Inria department

The Inria Sophia Antipolis - Méditerranée center counts 37 research teams and 9 support departments. The center's staff (about 600 people including 400 Inria employees) is composed of scientists of different nationalities (250 foreigners of 50 nationalities), engineers, technicians and administrators. 1/3 of the staff are civil servants, the others are contractual. The majority of the research teams at the center are located in Sophia Antipolis and Nice in the Alpes-Maritimes. Six teams are based in Montpellier and a team is hosted by the computer science department of the University of Bologna in Italy. The Center is a member of the University and Institution Community (ComUE) "Université Côte d'Azur (UCA)".

Assignment

She/he will be in charge of developing a complete market study for PicPlay's products and defining business strategies for the PicPlay Company. The innovative product we will develop is based on the research results developed by the REVES/GRAPHDECO research teams. The most relevant research results are here:

http://www-sop.inria.fr/reves/Basilic/2016/HRDB16/  
http://www-sop.inria.fr/reves/Basilic/2016/TSPD16/  
http://www-sop.inria.fr/reves/Basilic/2015/ODD15/  
http://www-sop.inria.fr/reves/Basilic/2013/CDSD13/

Conditions for application

Defence Security:
This position is likely to be situated in a restricted area (ZRR), as defined in Decree No. 2011-1425 relating to the protection of national scientific and technical potential (PPST). Authorisation to enter an area is granted by the director of the unit, following a favourable Ministerial decision, as defined in the decree of 3 July 2012 relating to the PPST. An unfavourable Ministerial decision in respect of a position situated in a ZRR would result in the cancellation of the appointment.

Recruitment Policy:
As part of its diversity policy, all Inria positions are accessible to people with disabilities.

Warning: you must enter your e-mail address in order to save your application to Inria. Applications must be submitted online on the Inria website. Processing of applications sent from other channels is not guaranteed.
